

The student who has given you this letter is a proud member of the Trinity Trojan Band Program.

To assist the Trinity Band, the Trinity High School Band Booster Club (a Texas based, U.S. 501(c) (3) nonprofit corporation) was formed in 1968 with its primary purpose is to assist the Trinity Band by helping provide a positive and enjoyable educational experience for youth by using music and performance as a means, and by promoting education, creativity, and freedom of expression through the unification of pageantry and the marching arts. Band members develop personality traits of dedication, discipline, and teamwork and learn what is required to be successful with confidence, quality of character, and integrity. By providing support and education, we strive to contribute to the values of youth development, inclusiveness, artistry, and success.

Providing the Trinity Trojan Band Program with instruments and uniforms, providing transportation at events, and providing meals at competitions from September through December is quite a financial undertaking! The average cost to provide each member with this great experience is around \$850. Fortunately, local fundraising efforts of parents and friends of the Trinity Band pay a good share of the cost to provide these services. The band members pay the remainder themselves in the form of band dues. To ensure that all of our members are able to participate in the Trinity Band, we offer a program called *Shadow Marchers* which helps band members recruit sponsors to help offset their band dues to participate in band. Donations are tax-deductible.

Through your participation in this program, you are helping to make someone's dreams to achieve his or her performing goals a reality!
