Dear Trinity High School Band Family,

It is my great pleasure to introduce myself as the new Trinity High School Assistant Band Director/Director of Percussion. I am extremely excited to join the Trinity High School band program, and I can't wait to start contributing to this community of great people.

I come to you with six years of experience as an assistant band director/percussion director at Southwest High School in Fort Worth ISD. I have enjoyed my time with the Southwest High School band program, but I knew this opportunity would further allow me to influence another set of students and help me grow as an educator. My core expectations for my students are to achieve community, dedication, passion and excellence. I am honored to follow Mr. Lowe and help continue these traits that have begun to be instilled in the Trinity High School percussion program.

I am joined by my lovely wife Amanda Flores, choir director at Stripling Middle School in Fort Worth ISD, our dogs Archer and Mikko, and lastly our cat Rimsky. I am eager to get started and look forward to meeting everyone soon. Wishing everyone a safe summer!

Sincerely,

Emmanuel Flores
